**CONTROLLED BURNING PERMIT APPLICATION**

A Controlled Burning Permit is for burning over two acres of vegetation within a burning season. An air curtain destructor (designed for burning) and a pit are required. Attach a picture of the air curtain destructor to be used. **The permit fee is \$500 and is non-refundable.**

The following are some of the conditions for burning. *Please read carefully prior to submitting this application.*

- Burning is allowed between the following hours. The fire shall be completely extinguished by the termination times. No smoldering is allowed after the termination times. Do not use dirt to try to extinguish a fire.
  - Oct. 01 – Nov. 03 9 am to 4pm
  - Nov. 04 – Dec. 31 9 am to 3:30 pm
  - Mar. 14 – Apr. 30 9 am to 6 pm
  - Jan. 01 – Feb. 05 9 am to 4 pm
  - Feb.16 – Mar. 13 9 am to 5 pm
  - *No Burning May - September*
- The burning must be attended at all times while burning is conducted.
- Burning shall be conducted in the pit design approved by the Air Pollution Control Bureau. Any changes to the pit design and/or location must be approved by the Air Pollution Control Bureau.
- The continuous use of an effective air curtain destructor is required during active burning.
- Brush in the pit shall not be piled above ground level.
- The pit shall be clean of ash each day before burning begins.
- There shall be enough fuel at the site to maintain operation of the air curtain destructor without interruption.
- Only dried vegetation shall be burned. Burning of green vegetation is prohibited. No tires, oil roofing materials, garbage, plastic, rubber, or similar materials will be burned or will be used to provide ignition.
