Good Afternoon Alan,

Thanks for taking my call this morning. Attached are the applications for the installation permit and the Initial Certificate of Operation for the Certificate of Gasoline Dispensing Facility with Stage I Vapor Recovery for our new location located at 5042 Summit Spring Way. I don't recall there being a need to submit any plans with this request but if I am mistaken please let me know and I will forward you any documentation that is needed. Thanks for the help and I hope you are settled in your new office soon.

Thanks,

Michael
