

CONTROLLED BURNING PERMIT APPLICATION - \$625 Non-Refundable Fee

For burning over two acres of vegetation within a burning

The following are some of the conditions for burning. *Please read carefully prior to submitting this application.*

1. Pit Requirements:

- Use an Air Pollution Control Bureau approved pit design and location.
- Attach a photo of your air curtain destructor to the application.
- Clear ash daily and keep brush below ground level.

2. Timing & Attendance:

- Burn only during permitted hours and attend the fire continuously.
- Fully extinguish the fire (no smoldering or dirt covers) by the daily termination time.

3. Equipment & Fuel:

- Keep the air curtain destructor running continuously during burns, ensuring enough on-site fuel is available to prevent stops.

4. Prohibited Materials:

- Burn **only** dry vegetation.
- Do not burn or use as fire starters: green vegetation, tires, oil, roofing materials, plastics, rubber, garbage/household refuse, synthetic or waste materials.
